Do you want to go to the place they call freedom
do you want to see like the free see
do you want to dance in the land they call freedom
do you want to go
do you want to go
yes i want to go [x2]

jesus come take us to the foot of the cross
where we have been brought now
freedom is ours
we take it up
we take it up
jesus come make us a free generation
spreading salvation
freedom is ours
we take it up
we take it up

do you want to go to the place they call freedom
do you want to see like the free see
do you want to dance in the land they call freedom
do you want to go
do you want to go [x2]

jesus come take us to the foot of the cross
where we have been brought now
freedom is ours
we take it up
we take it up
jesus come make us a free generation
spreading salvation
freedom is ours
we take it up
we take it up

freedom for the world
freedom for a generation
let us call to every nation
come

jesus come take us to the foot of the cross

where we have been brought now
freedom is ours
we take it up
we take it up
jesus come make us a free generation
spreading salvation
freedom is ours
we take it up
we take it up
we take it up
