"The Whole World"

The whole earth is full of Your glory
The whole earth is full of Your glory
And You reign victorious
You reign victorious over all
For great is the Lord
And worthy of praise
Lift up your voice
And lift up His name
The heavens declare
Our God is the King
We join in the song that the angels sing
The nations will praise You forever
The nations will praise You forever
For You reign victorious
You reign victorious over all
The whole earth is full of Your glory
