"Who You Are"

I won't be satisfied
I won't be found alright 'til I find
Who You are

I'd climb every mountain
I'd travel the deepest valley to find
Who You are

You, You cause the lame to walk
You open lips to talk
You're everything and that is who You are
You, You calm the storms at night
You turn the dark to light
You're everything and that is who You are

My Savior, my Healer, Redeemer
That is who You are
Creator, my Maker, my Father
That is who You are
