Tonight I feel high like never before
I found the tune that I was searching for
This tune can make my heart beat like a drum
I can't resist the flavor of this chewing gum

I need this beat like the earth needs the rain
This beating tune quenches my thirst before I go
insane

Chorus:

Ouh ouh ouh

Ouh ouh ouh...

No way to get out of my mind this tune
You 'll get the picture I 'm telling you soon
Shortly my love you 'll be singing a song
And you'll be moving to this groove all night long

I need this beat like the earth needs the rain
This beating tune quenches my thirst before I go
insane

Chorus

So good so good
Tonight I feel so good
Cause I have the coolest beat
The coolest in the hood

So right so right
Tonight I feel so right
Cause I 'm about to hit your floor
With this new groove delight

Listen to me
Become a devotee
And let the music come through you
Like electricity

The party zone
Join the party zone
And move your feet right to the beat

Like dancing all alone

Tonight tonight
Let's celebrate all night
Here's the deal taste the thrill
Of bringing us the light
