I was far away but You found me and You
Made me want to stay
I was falling down but You lifted me and
Turned my life around

Now I'll follow recklessly
And I'll love You with all that is in me

I am coming back 'cause
You are coming after me
And I surrender now

When I lost myself
I came alive and You came into me
When I let it go
I realized You are all I need

Now I'll follow recklessly
And I'll love You with all that is in me

I am coming back 'cause
You are coming after me
And I surrender now

(Come on, Come On)

Now I'll follow recklessly
Yeah, I'll follow recklessly
Now I'll follow recklessly
And I'll love you with all that is in me

I am coming back 'cause
You are coming after me
And I surrender now
(Yeah, Yeah)

I am coming back 'cause
You are coming after me
And I surrender now
Yeah I surrender now
Yeah I surrender now

Surrender Now [x3]
