"Live For You"

Visit "[Live For You](#)" on [MotoLyrics.com](https://www.motolyrics.com)

There was a time
I was far from You
You came and rescued me
You came and rescued me
Now I sing of all you've done for me
Jesus, now I sing
Jesus, now I sing

Pre-Chorus:
You came and sought me out
And now I'm all about
The way you took my life
And turned it upside down

Chorus:
You are all I want
Your all I'm living for
You came and saved my soul
You are all I want
I live for You alone
Have come to break my fall
I live for You alone

There was a time when
I could not see truth
You opened up my eyes
You opened up my eyes
Now I see the beauty that is You
Jesus, now I see
Jesus, now I see
