We will look to
The horizon
Hope is rising
Light has come

Generations
Joined together
By Your spirit
We are one

Every chain must fall
And every fear must bow down

Your freedom reigns
Your justice roars
Your people sing
You're the risen Lord
Our hearts alive
Our hope endures
In all the earth
There is no one so wonderful

Our redeemer
Our sure foundation
We're embracing
All You are

You are perfect
Like no other
Faithful Jesus
You are God

Every chain must fall
Every fear must bow down

Your freedom reigns
Your justice roars
Your people sing
You're the risen Lord
Our hearts alive
Our hope endures

In all the earth
There is no one so wonderful

Oh we're living in the light of love
We're living in the light of truth
We're living in the light of You
[x4]

Your freedom reigns
Your justice roars
Your people sing
You're the risen Lord
Our hearts alive
Our hope endures
In all the earth
There is no one so wonderful
[x2]
