To prosopo mu sto kathrefti me kita
Ki afu de kleo pos mpori afto ke klei
Piano ta matia mu ma ine afta stegna
De tu milao ma gia senane mu lei

Ola s' agapane toso dinata
Efiges ke kano pragmata trela
Ola s' agapane opos s' agapo
Mes stis paresthis m' afises na zo
Poso s' agapo

To prosopo mu sto kathrefti me kita
Tin agonia mu gia sena mu thimizi
M' afises mono mu akomi mia fora
Ke i zoi mu horis esena den aksizi

Ola s' agapane toso dinata
Efiges ke kano pragmata trela
Ola s' agapane opos s' agapo
Mes stis paresthis m' afises na zo
Poso s' agapo
