s'enan kosmo skleero
senekos prospatho
na epiziso
se kreiasomai edo
na mou peis pos boro
na epiziso

m'olo leipies, olo leipies
sinekos me egkataleipies
m'apofegies
ki olo fegeis
makria mou

m'olo t'oneira mou thimisou
ta 'kana otan imoun mazi sou
otan imoun stin agkalia sou

ti ehei allezi mesa sou mes mou
ki enan tropogpiora bres mou
yia na xanampo stin kardia sou

prospathies na mou peis
pos boro kai horis
na xo esena
xero apala den boreis
me tis sipsis na zeis
pia yia mena

olo leipies...
