(8x10, 8x10)

All that's left of  
Our old love now is  
Just your picture, 8x10

(A souvenir of things  
That might have been  
My lonely world is  
Only 8x10)

(8x10, 8x10)

I remember the night  
You gave me this picture  
I ought to, I've relived  
It so many times

I remember how I couldn't  
Wait to get home and  
Put it in a frame  
And tell everybody  
That you were mine

Because you were mine  
At least until someone else  
Came along and took you off  
Out of my sight

It's a good thing you did  
Leave me your picture to hold  
Because now, I can cry  
On your shoulder every night

(8x10, 8x10)

(My lonely world  
Is only 8x10)

It's awful to be jealous  
Of an old picture frame  
But I'm jealous of anything  
That's close to you

And that picture frame  
Seems to be holding  
You pretty tight  
That looks like more  
Than I'll ever do

I wish that I could just  
Be the glass in that frame  
And be so close to the  
Lips that I love

I am glad that I've at least  
Got your picture to hold  
But sometimes, it's just  
Not enough

(8x10, 8x10)  
(My lonely world  
Is only 8x10)
