Well, I'll give you love that's above and beyond the call of love

And love's something that money can't buy

A poor boy's chances for pretty a girl's glances Are sometimes very few I've got no money but if you'll be my honey Here's what I'll offer you

Well, I'll give you love that's above and beyond the call of love

And I'll never ever make you cry

I'm gonna give you love that's above and beyond the call of love

And love's something that money can't buy

Well, we met at a dance and I knew at a glance That I'd found my happiness So if you wanna carry me off And marry me then I'll answer yes

And I'll give you love that's above and beyond the call of love

And I'll never ever make you cry

I'm gonna give you love that's above and beyond the call of love

And love's something that money can't buy

Yeah, true love's something that money can't buy
