(Bill Anderson)

All that keeps me goin' is knowin'  
That you love me and you're mine  
All that keeps me goin' is knowin'  
You're gonna see me through troubled times.

This morning when I woke up  
That ole sun didn't wanna shine  
So I just laid back and let your mem'ry  
Fall down across my mind.

And suddenly it was yesterday  
And I was lying in your arms  
And somehow just the thought of you  
Turned my world on and made me warm.

All that keeps me goin' is knowin'  
That you love me and you're mine  
All that keeps me goin' is knowin'  
You're gonna see me through troubled times.

All that keeps me goin' is knowin'  
That you love me and you're mine  
All that keeps me goin' is knowin'  
You're gonna see me through troubled times...
