Lips, are you ready to tremble hands?
Are you ready to shake?
Eyes, get ready to cry heart
Get ready to break

Here she comes now, she's getting closer
Is everyone ready to start?
Altogether now let's fall apart

Nerves, you'll be going to pieces
Tears, you'll stream down my face
Head, you'll be spinning around
It's time, everyone take your place

We're all in this thing together
My body, my mind and my heart
Altogether now let's fall apart

I couldn't keep her from leaving
Though I tried, oh, Lord, I tried
But heart, you let me cheat
Then lips, you went and lied

Here she comes now, she's getting closer
Does everyone remember his part?
Altogether now let's fall apart
Altogether now let's fall apart
