As long as I live if it be one hour or if it be one hundred
years
I'll keep remembering forever and ever I'll love you
dear as long as I live

It was easy said the night we parted that we'd forget
we'd ever met
I haven't forgotten I wonder if you have or if your heart
is full of regret
As long as I live...
[steel]
I never thought the night we parted that life without you
could be so bad
I know it sounds funny but I can't forget you the only
happiness I've ever had
As long as I live...
