You've just gotta be one of the most
Beautiful people in the whole wide world
It's true, it's true, it's true and I love you

You're so easy to make conversation with
A nobody else could please me that way
No one can say that you're a wallflower
'Cause you've always got something groovy to say

You've just gotta be one of the most
Beautiful people in the whole wide world
It's true, it's true, it's true and I love you

Talk about a girl with a sweet disposition
You oughta have a room full of ribbons
And wear 'em in the hair, every day of the week for me

People turn around, they know
We're the luckiest people today in this old town
It's no wonder that they kinda wonder
If we're not the happiest could around

You've just gotta be one of the most
Beautiful people in the whole wide world
It's true, it's true, it's true, and I love you

La, la, la
La, la, la
La, la, la

You've just gotta be one of the most
Beautiful people in the whole wide world
It's true, it's true, it's true, and I love you
I do, I do, I do, I love you

La, la, la
La, la, la
La, la, la
