BLINDED

Writers Bill Anderson, Sharon Vaughn, Steve Wariner  
RECORDED BY STEVE WARINER

I didn't mean to stumble and I didn't mean to fall  
But it's hard to keep your balance when your running  
into walls  
But there's an explanation baby for the situation I'm in  
Chorus:  
I am blinded by the light of your love  
I don't know where I'm going or which way is up  
I've never been lost and liked it so much  
I am blinded by the light of your love  
It's hard to see a miracle when standing up too close  
It's difficult to focus when it's right beneath your nose  
Till love makes its correction and determines the  
direction for me  
(I'll be fâçâ, -Ã, Â!) Chorus:  
I didn't mean to stumble and I didn't mean to fall  
But it's hard to keep your balance when your running  
into walls  
But there's an explanation baby for the situation I'm in  
Chorus:  
Chorus:
