FAITH IN YOU

Writers Bill Anderson, Steve Wariner

RECORDED BY STEVE WARINER

If you were the sun
And one day you lost all your light
And you disappeared
I'd stand in the dark all alone
And wait through the night
And I'd feel no fear
I might not know what to do
But you'd shine again like brand new
I've got that much faith in you

Chorus:

If ever the lights were to go out between us
If ever the raindrops should start to fall
Should the winds of distrust ever rock our foundation
I know we could weather it all
I might not know what to do
But I do know we'd make it through
I've got that much faith in you
And if you were the moon
And one night a big black cloud
Came and covered your face
I'd stand in the rain
Like a statue tall and proud
Till the clouds blew away
I might not know what to do
But you'd make the rain roll on through
I've got that much faith in you
Chorus:
