From a jack to a king from loneliness to a wedding ring
I played an ace and I won a queen and walked away
with your heart
From a jack to a king with no regrets I stacked the
cards last night
The Lady Luck played her hand just right to make me
king of your heart
For just a little while I thought that I might lose again
Then just in time I saw the twinkle in your eye
From a jack to a king from loneliness to a wedding ring
I played an ace and I won a queen you make me King
of your heart
[strings]
