I gotta get while the gettin's good baby get while the  
gettin's good  
Out of your life into a life where I'll be understood  
I need a lots of tender love and your heart's made out  
of wood  
If I'm never gonna find a peace of mind I gotta get  
while the gettin's good

You told me that love is one big bubble we played the  
game by your rules and you won  
And just today I figured out the trouble I learned to  
crawl before I learned to run  
But I'm gonna get while...  
[ steel ]  
I noticed I've quit singing in the shower I rarely ever  
laugh and I can tell  
I'm willing like the petals on the flowers  
And there's nothing left to say now but farewell  
And I'm gonna get while...
