[Bill]

The night was black the roads were icy snow was fallin'
drips were high

And I was weary from my drivin' so I stopped to rest for
a while

I sat down at a truck stop I was thinkin' about my past
I've had a long streak of a bad luck but I pray it's gone
at last

Gone at last (gone at last) gone at last (gone at last)

Gone at last (gone at last) gone at last (gone at last)

I've had a long streak of a bad luck but I pray it's gone
at last

[dobro]

[Mary Lou]

Well I ain't dumb I kicked around some I have thought
too easily

But that boy looked so deductive he just grabbed my
sympathy

Sweet little woman what's your problem tell me why
you're so down cast

I've had a long streak of a bad luck but I pray it's gone
at last

Gone at last...

[dobro]

[Bill]

Once in awhile from out of nowhere at least expected
and we ran to pair

Somebody will come and lift you higher and your
burdens will be shared

[Mary Lou]

I do believe if I hadn't met you I might still be sinking
fast

I've had a long streak of a bad luck but I pray it's gone
at last

[Both]

Gone at last...

But I pray it's gone at last

[dobro]
