Happiness happiness the greatest gift that I possess  
I thank the Lord I've been blessed with more than my  
share of happiness

To me this old world is a wonderful place  
And I'm just about the luckiest human in the whole  
human race  
I've got no silver and I've got no gold just a whole lot of  
happiness in my soul  
Happiness happiness...

Happiness to me is an ocean tide or a sunset fading on  
a mountain side  
Or maybe a big old heaven full of stars up above  
When I'm in the arms of the one I love  
Happiness is a field of grain lifting its face to the  
falling rain  
I can see it in the sunshine I breathe it in the rain  
happiness everywhere  
Happiness happiness...  
A wise old man told me one time that happiness is  
nothing but a frame of mind  
I hope when you go to measuring my success  
That you don't count my money count my happiness  
Happiness happiness...  
Happiness happiness...
