I KNOW YOU'RE MARRIED (BUT I LOVE YOU STILL)

(Don Reno - Mack Magaha)

WITH JAN HOWARD

I know you're married but I love you still  
The day I met you I knew you weren't free  
But I knew I'd love you through eternity  
And though I knew you were another's bride  
I vowed my heart would never leave your side  
You know I love you and I always will  
I know you're married but I love you still  
I never would have made that sacred vow if I had only  
know what I know now  
There's room for only you inside my heart so close  
together yet so far apart  
You know I love you and I always will I know you're  
married but I love you still  
I know you're married but I love you still
