They're not teardrops, just sincere drops  
They're I love you drops 'cause I love you  
(I love you)

They were on my pillow when I woke up this morning  
They were on the letter I tried all day to write  
And just a little while ago I saw them falling  
On your picture as I kissed it goodnight

I love you drops, I miss you drops  
Hurry home drops, you've been gone so long drops  
They're not teardrops, just sincere drops  
That say I'm lonesome and I love you  
(I love you)

Never knew this heart could hurt  
The way it hurts for you  
Never lived so many lifetimes in a week

Why don't you come back to me  
The way you said you would  
And kiss these little crystals off my cheek

I love you drops, I miss you drops  
Hurry home drops, you've been gone so long drops  
They're not teardrops, just sincere drops  
That say I'm lonesome and I love you  
(Hurry home)  
I love you  
(I love you)
