I'M ASHAMED OF YOU

RECORDED BY CONNIE SMITH

Heart I'm ashamed of you lips I'm ashamed of you
You've betrayed me and you've made me love him and
he's not free

Arms I'm ashamed of you aching the way you do
I'm ashamed of you but mostly I'm ashamed of me
Eyes you looked right past his wedding band
And all you saw were lips you long to kiss
Fool you tucked him into holding hands
And now you've let him tarry up like this
Heart I'm ashamed of you...

Mind you let him drive me out of you
For you're made up to win his love somehow
Conscience ain't there something you can do
Cause if there is you'd better do it now
Heart I'm ashamed of you...
