(Don Harris - Dewey Terry)

I'm leavin' it up to you
You decide what you gonna do
Now, do you want my love
Or are we through?

That's why I'm leavin' it up to you
You decide what you gonna do
Now, do you want my love
Or are we through?

--- Instrumental ---

I've got my heart in my hand
I don't understand
What have I done wrong
You know I worship the ground that you walk on.

That's why I'm leavin' it up to you
You decide what you gonna do
Now, do you want my love
Or are we through?...
