Somehow in the midst of all the madness that  
surrounds us  
Love's come along out of nowhere like magic and  
found us  
You say you've never been so happy and you cried  
unashamed  
Go on and cry baby cry till you're dry baby I'm used to  
the rain  
For until you came along all that I'd ever known was  
cloudy skies  
I'm used to the rain let it wash all the pain from your  
eyes and our lives  
[ guitar ]  
From now till the end of the world the sun's gonna  
shine  
And the rainbow that follows the rain will be all yours  
and mine  
You say it's because you love me you cried unashamed  
Go on and cry baby cry till you're dry baby I'm used to  
the rain  
Go on and cry baby cry till you're dry baby I'm used to  
the rain
