Hey baby what's a nice girl like you (doing here) yeah
that's what I mean
And say haven't I seen you (somewhere before) yeah
that's what I mean
It was my first time to cheat I think she knew
And her smile just said (I'm way ahead of you)
I was wondering could I (buy me a drink) yeah that's
what I mean
They're playin' a slow song would you (like to dance)
that's what I mean
She seemed to know my each and every move
And her smile just said (I'm way ahead of you)
Well it's closing time could I (take me home) yeah
that's what I mean
And I was wondering could I (come in awhile) yeah
that's what I mean
She unlocked the door and gently led me through
And her smile just said (I'm way ahead of you)
And her smile just said (I'm way ahead of you)
