RECORDED BY KENNY CHESNEY

"Hey, guys, welcome to Good Times Beach Bar. "My name's Amy: I'll be takin' care of you today." "Hey Amy, what's goin' on? "How you doin'?" "We just came in for a couple of drinks and a little after dinner mint." "All right. We got saome great key lime pie today." "Ooh, that sounds good. "We'll take a drink with some pie." Big straw hat, banana drink, I can't remember what it is I think, And my, my, my - my key lime pie. Ocean breeze, tire swing, Coconut fall if you shake that thing, An' my, my, my, my key lime pie. Not too tart, not too sweet: My baby loves to watch me eat, Her key lime pie, her key lime pie. Tall green tree, yellow bird, Bikini bottom and a tie-dyed shirt, And my, my, my - my key lime pie. Big white sail, red sunset, Lobster tail and don't forget, My, my, my, my key lime pie. A six-string, ten shots, Of Cruzan rum: hey, I like it a lot. With my, my, my, my key lime pie. A Tortola, a full moon, Shining down on a blue lagoon, An' my, my, my, my key lime pie. Not too tart, not too sweet: My baby loves to watch me eat, Her key lime pie, her key lime pie. We got Ginger and Mary Ann, Cookin' up a real good tan, An' my, my, my, my key lime pie. (Key lime pie.) Key lime pie. (Key lime pie.) My, my, my. (My, my, my key lime pie.) (Key lime pie.) (Key lime pie.) (My, my, my key lime pie.) (Key lime pie.) (Key lime pie.) (My, my, my key lime pie.) (Key lime pie.) (Key lime pie.) (My, my, my key lime pie.)
