When we get home babe gonna light your fire  
All day I been thinkin' about you baby you're my desire  
Gonna wrap my arms around you and hold you close to  
me  
Oh babe I wanna taste your lips I wanna feel your  
fantasy

I don't know what I'd do babe without you I don't know  
where I'd be  
You're not just another lover no you're everything to me  
Every time I'm with you baby I can't believe it's true  
When you're lyin' in my arms and you do the things you  
do

You can see it in my eyes I can feel it in your touch  
You don't have to say a thing just let me show how  
much  
I love you I need you yeah I wanna kiss you all over and  
over again  
I wanna kiss you all over till the night closes in till the  
night closes in

No one else could ever make me feel the way you do  
Oh keep on lovin' me baby and I'll keep lovin' you  
It's easy to see when somethin's right or somethin's  
wrong  
Oh stay with me baby and hold me all night long

Show me show me everything you do  
Cause baby no one does it quite like you  
I love you I need you yeah I wanna kiss you all over and  
over again  
I wanna kiss you all over till the night closes in till the  
night closes in

Stay with me lay with me holdin' me lovin' me baby  
Here with me near with me feelin' you close to me baby
