LOSING YOUR LOVE

RECORDED BY JIM REEVES

I filled up my pockets with money big trophies I've hang  
on my wall  
My mansion sits high on the hilltop and the world is  
impressed by at all  
But to me always all this glory is worries and I've not  
been successful enough  
For while I was willing the whole wide world I was losing  
your love  
I forgot to kiss you and hold to your charms  
Success seems like nothing to these empty arms  
All this time I've been gaining a treasure that I can even  
speak partly of  
For while I was willing the whole wide world I was losing  
your love  
Slowly losing your love
