Love is a sometimes thing
Yes, your love is a sometimes thing
It comes and goes like winter and spring
Yes, your love is a sometimes thing

You told me that you would always car
In time of need you'd always be there
But lately baby, I've seen so little of you
Makes me wonder just what you been up to

Love is a sometimes thing
Yes, your love is a sometimes thing
It comes and goes like winter and spring
Yes, your love is a sometimes thing

Love is a sometimes thing
Yes, your love is a sometimes thing
It comes and goes like winter and spring
Yes, your love is a sometimes thing
