MY WHOLE WORLD IS FALLING DOWN

(Bill Anderson - Jerry Crutchfield)

© '64 Stallion Music

RECORDED BY CONNIE SMITH AND BY BRENDA LEE

My whole world is a falling down falling down falling
down

My whole world is a falling down I'm losin' my baby

You told me that your love for me was true

Said you would love me your whole life through

But now you're asking me to set you free

You found somebody you love more than me

My whole world is a falling down...

Where did she come from what's her name

What did she do to set your heart a flame

I'm all alone while she's with you

You're having fun my heart's breaking in two

My whole world is a falling down...

I miss your loving that was so fine

I need it I need it oh all the time

I still love you in the same old way

But I'm losin' you a little more every day

My whole world is a falling down...

My whole world is a falling down...
