ONE SMALL MIRACLE

Writers Bill Anderson, Steve Wariner

RECORDED BY BRYAN WHITE

She's standing at the front door With her suitcase in  
her hand I'm starin' down the hallway Frozen where I  
stand She says she doesn't love me anymore Oh, Lord,  
what can I do It's gonna take a miracle to make her stay  
That's why I'm askin' You. CHORUS Please, don't you  
have a miracle Just lyin' around One small miracle,  
nobody needs Send it on down I'll never make it thru  
this night Thinkin' she's with someone else Please,  
don't You have Just one small miracle left? I know I  
haven't been a Saint And asking You for anything,  
takes nerve 'Cause You've already been blessed me  
With so much more in life, than I deserve But if You can  
make a blind man see And change the water into wine  
Surely You can keep her from Tearin' out this old heart  
of mine. CHORUS TAG: Please, don't You have just one  
small miracle left?
