How many times have you heard someone say  
If I had his money I could do things my way  
But little they know it's so hard to find one rich man in  
ten with a satisfied mind  
Well once I was waiting in fortune and fame  
Everything that I dreamed for turned to start in life's  
game  
Then suddenly it happened I lost every dime  
But I'm richer by far with a satisfied mind  
[ steel ]  
Money won't buy back your youth when you're old  
Or a friend when you're lonely or a love that's grown  
cold  
The wealthiest person's a proper at times compared to  
the man with a satisfied mind  
When my life has ended my time has run out  
My friends and my loved ones I'll leave there's no  
doubt  
But one thing for certain when it comes my time  
I'll leave this old world with a satisfied mind  
I'm gonna leave this old world with a satisfied mind
