(Ivory Joe Hunter)

Since I met you baby, my whole life has changed
Since I met you baby, my whole life has changed
Everybody tells me that I'm not the same
I don't need nobody to tell my troubles to
I don't need nobody to tell my troubles to
'Cause since I met you baby, all I need is you.

--- Instrumental ---

Since I met you baby, I'm a happy soul
Since I met you baby, I'm a happy soul
I'm gonna try to please you every way I know. hmm
