(To be alone) to be alone (with just a memory) with just
a memory
This is my destiny to be alone
(You left me here) you left me here
(With just these walls to see) with just these walls to see
I know you meant for me to be alone
You left me to be alone but there's one thing that you
didn't count on
Something far beyond your imagination
I knelt and I prayed and I recieved a much much
deeper consolation
And now I share a greater love you see it's not so bad
for me to be alone
With my head bowed down on my knees I prayed and I
cried
And He dried my tears and He promised me that He'd
forever be at my side
He'll be my friend beyond eternity it dasn't worry me to
be alone
