I know it's late I know you're weary I know your plans  
don't include me  
Still here we are both of us lonely longing for shelter  
from all that we see  
Why should we worry no one will care girl look at the  
stars so far away  
We've got tonight who needs tomorrow we've got  
tonight babe why don't you stay  
Deep in my soul I've been so lonely all of my hopes  
fading away  
I've longed for love like everyone else does I know I'll  
keep searching even after today  
So there it is girl I've said it all now and here we are  
babe what can you say  
We've got tonight who needs tomorrow we've got  
tonight babe why don't you stay  
I know it's late I know you're weary I know your plans  
don't include me  
Still here we are both of us lonely so lonely  
We've got tonight who needs tomorrow let's make it  
last let's find the way  
Turn out the lights come to my hand now we've got  
tonight babe why don't you stay
