I've been fightin' with these sheets again  
Can't make myself lie still  
My pillowcase is soaking wet  
And yet I feel a chill

It takes all I can do these days  
To just survive the nights  
It gets crazy when a man  
Can't get a woman off his mind

When a man can't shake a memory  
He runs hot and cold and blind  
He hates, he then, he loves her  
Then he hates her one more time

Your love has such a grip on me  
It chokes me like a vine  
Oh, it's crazy when a man  
Can't get a woman off his mind

I've been phoning you since eight o'clock  
It's almost four a.m.  
My mind keeps painting pictures  
Of you out loving him

I just crushed a dixie cup  
For running out of wine  
It gets crazy when a man  
Can't get a woman off his mind

When a man can't shake a memory  
He runs hot and cold and blind  
He hates, he then, he loves her  
Then he hates her one more time

Drives him crazy when a man  
Can't get his woman off his mind

When a man can't shake a memory  
He runs hot and cold and blind  
He hates, he then, he loves her  
Then he hates her one more time
