(Howard Hausey)

The snowflakes fall as winter comes and time just
seems to fly
Is it the loneliness in me that makes me wanna cry
My heart is sad like a mourning dove that's lost its
mate in flight
Hear the cooing of his lonely heart through the stillness
of the night.

Whispering pines, whispering pines, tell me is it so
Whispering pines, whispering pines, you're the one
who knows
My darling's gone, oh she's gone, and I need your
sympathy
Whispering pines, bring my baby back to me.

See that squirrel up in the tree, his mate there on the
ground
Hear their barking call of love of the happiness they
found
Is my love still my love this I gotta know
Send a message by the wind because I love her so.

Whispering pines, whispering pines, tell me is it so
Whispering pines, whispering pines, you're the one
who knows
My darling's gone, oh she's gone, and I need your
sympathy
Whispering pines, bring my baby back to me.

Whispering pines, send my baby back to me...
