Oooh. Ohhhh.
Wait a minute.
Before you tell me anything, how was your day?
'Cause I been missing you by my side. Yeah
It ain't easy to keep on moving city to city
Just get up and go
The show must go on
So I need you to be strong
Did I awake you out of your dream?
I'm sorry but I couldn't sleep
You calm me down there's something about the sound
of your voice
I I I never never never as far away as it may seem no
Soon we'll be together
We'll pick up right where we left off

Paris, London, Tokyo
It's just one thing that I gotta do
Hello, tuck you in every night on the phone
Hello, tuck you in every night
And I can hardly take another goodbye
Baby won't be long
You're the one that I'm waiting on
Hello, tuck you in every night on the phone
Whoaaa whoaa
Girl I'll be thinking about you worldwide, worldwide,
worldwide
Girl I'll be thinking about you worldwide, worldwide,
worldwide
Girl I'll be thinking about you

Yes, I may meet a million pretty girls that know my
name
But don't you worry, no
Did I awake you out of your dream?
I'm sorry but I couldn't sleep
You calm me down there's something about the sound
of your voice

I I I never never never as far as away as it may seem
no never

Soon we'll be together
We'll pick up right where we left off

Paris, London, Tokyo
It's just one thing that I gotta do
Hello, tuck you in every night on the phone
Hello, tuck you in every night
And I can hardly take another goodbye
Baby won't be long
You're the one that I'm waiting on
Hello, tuck you in every night on the phone
Yeahh
Girl I'll be thinking about you worldwide, worldwide,
worldwide
Girl I'll be thinking about you worldwide, worldwide,
worldwide
Girl I'll be thinking about you

Whoaa. Wherever the wind blows me
You're still the one and only girl on my mind (baby)
No
There ain't no one better (worldwide)
So always remember (worldwide)
Always remember
Girl you're mine

Paris, London, Tokyo
It's just one thing that I gotta do
Hello, tuck you in every night on the phone
Hello, tuck you in every night
And I can hardly take another goodbye
Baby won't be long
You're the one that I'm waiting on
Hello, tuck you in every night on the phone
Whoaaa whoaa
Girl I'll be thinking about you worldwide, worldwide,
worldwide
Girl I'll be thinking about you worldwide, worldwide,
worldwide
Girl I'll be thinking about you
Worldwide
Yes I may meet a million pretty girls that know my
name
But don't you worry 'cause you have my heart
