You make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop
Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me
And don't you see it ain't cool

It's not hot that you be callin' me
Stressin' me pagin' my beeper
You're just non-stop
And its not hot
That you be leavin' me messages
Every 10 minutes and then you stop by
When I first met you, you were cool
But it was game you had me fooled
Cause 20 minutes after I gave you my number
You already had my mailbox full

(So what you bought a pair of shoes)
(What now I guess you think I owe you)
(You don't have to call as much as you do)
(I'd give 'em back to be through with you)
(And so what my momma likes you)
(What now I guess you think I will too)
(Even if the pope he said he liked you too)
I don't really care cause you're a bug a boo

You make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop
Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me
And don't you see it ain't cool

Its not hot
That when I'm blockin' your phone number

You call me from over your best friends house
And its not hot that I cant even go out with my
girlfriends
Without you trackin' me down

You need to chill out with that mess
Cause you can't keep havin' me stressed
Cause every time my phone rings it seems to be you
And I'm prayin' that it is someone else

(So what you bought a pair of shoes)
(What now I guess you think I owe you)
(You don't have to call as much as you do)
(I'd give 'em back to be through with you)
(And so what my momma likes you)
(What now I guess you think I will too)
(Even if the pope he said he liked you too)
I don't really care cause you're a bug a boo

You make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop
Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me
And don't you see it ain't cool

When you call me on the phone you're buggin' me
When you follow me around you're buggin' me
Everything you do be buggin' me
You buggin' me, you buggin' me
When you show up at my door you buggin' me
When you open up your mouth you buggin' me
Every time I see your face you're buggin' me
You're buggin' me, you're buggin' me

You make me wanna throw my pager out the window
Tell MCI to cut the phone calls
Break my lease so I can move
Cause you a bug a boo, a bug a boo
I wanna put your number on the call block
Have AOL make my email stop
Cause you a bug a boo
You buggin' what? You buggin' who? You buggin' me
And don't you see it ain't cool
