The storm is full of anger  
Strong as fire in the wind  
The clouds line up in heaven  
It is time time to understand

Fight the prophecy of darkness  
But nothing's changed at all  
Expressions are eternal  
Who can catch my fall  
Tears flow over my cheek  
Say more than I can tell  
Think it's time the lies are gone  
But life still carries on

Rest in a cage of time  
Paint a picture on a wall  
Expressions from within  
Desperations let us fall  
Nothing's changed at all  
And live still carries on

Words seem unspoken  
Iron thoughts embrace  
What is the destination  
Cut to the chase  
Whenever the lies are over  
Obnoxious grief comes to the end  
Release me from suffer  
Receive me in your hand

The eternal lies are stolen by the wind  
Resurrection: the temptation of the coming end
