I am too shy  
To tell you everything I feel  
I am so fallen  
That I cannot get my meal  
I am too scared  
To ask your best friend how you feel  
I'm in another world  
I cannot see what's real

You are so different  
From the other girls I met  
And you're the only reason  
Why I'm feeling bad  
I would give everything  
If you were what I get  
And all night long  
I'm lying sleepless in my bed  
But

I'm not allowed to sing about love  
Nobody wants to hear it anymore  
I'm not allowed to sing this song  
Even this band won't hear it once more

I'd like to share with you  
The sunset of my life  
I want to be the only  
One who's by your side  
I can't imagine I could anybody like  
As much as you  
As much as you

You are the morning  
And the evening for me  
And when I wake up it's your  
Picture that I see  
I don't expect you feel the same way just like me  
That is ok  
It is ok  
But

I'm not allowed to sing about love

Nobody wants to hear it anymore  
I'm not allowed to sing this song  
Even this band won't hear it once more
