You ought to know,
tonight is the night to let it go,
Put on a show,
I wanna see how you lose control

So leave it behind 'cause we have a night to get away
So come on and fly with me, as we make our great
escape

So baby don't worry
You are my only
You won't be lonely
Even if the sky is falling down
You'll be my only
No need to worry
Baby are you down down down down down
Down, Down
Baby are you down down down down down
Down, Down
Even if the sky is falling down

Just let it be,
Come on and bring your body next to me
I'll take you away (hey)
Turn this place into our private getaway

So leave it behind 'cause we have a night to get away
(get away)
So come on and fly with me, as we make our great
escape
(So why don't we run away)

So baby don't worry,
You are my only
You won't be lonely
Even if the sky is falling down
You'll be my only
No need to worry
Baby are you down down down down down
Down, Down
Baby are you down down down down down

Down, Down
Even if the sky is falling down

Down like she supposed to be
She gets down low for me
Down like her temperature, 'cause to me she zero
degree
She cold, over freeze
I got that girl from overseas
Now she my miss America
Now can I be her soldier please
I'm fighting for this girl
On a battlefield of love
Don't it look like baby cupid sent his arrows from above
Don't you ever leave the side of me
Indefinitely, not probably
And honestly I'm down like the economy

So baby don't worry
You are my only
You won't be lonely
Even if the sky is falling down
You'll be my only
No need to worry
Baby are you down down down down down
Down, Down
Baby are you down down down down down
Down, Down

So baby don't worry
You are my only
You won't be lonely
Even if the sky is falling down
You'll be my only
No need to worry
Even if the sky is falling down
