Baby did you stay home?
Oh tell me everything's alright
Tried to catch you on the payphone
Now I'm looking for some peace of mind
And it's so not fair not fair
Cause I see you 'round 'round nowhere
I said anyone but me
It's time for a living
It's time to turn home

Only in this moment
Oh gimme just a second
I take another breath and look the other way
Forget about me, you'll see me 'round another day

She'll end up mad and alone
He won't be knockin' at her door
Oh it scares her to the bone
But she still keeps coming back for more
And it's so not necessary
But is now so ordinary
I said anyone but me
It's time to get a living
You know it's running late
It's time to change
To turn back home

Only in this moment

Oh gimme just a second
I take another breath and look the other way
Forget about me, you'll see me 'round another day
Forget about me, you'll see me 'round another day

Baby did you stay home?
Oh tell me everything's alright
Tried to catch you on the payphone
Now I'm looking for some peace of mind
And it's so not fair not fair
Cause I see you 'round 'round nowhere

As the sun calls it a day

Our guilt is closing in
You know it's running late
Theres time to change
To turn back home

Only in this moment
Oh gimme just a second
I take another breath and look the other way
Forget about me, youÂ'll see me 'round another day
Forget about me, youÂ'll see me 'round another day
Forget about me, youÂ'll see me 'round another day
