Slowly losing gravity
I lost my fear of heights
Oh it's quite a sight
I never thought the day would come
I'd close my tired eyes
No not here tonight

In the end
Oh don't let me go
Think I can't
I won't go alone
In my head
It was all a bad dream
When I wake up
I'll say now oh don't let me go

When the world has lost its faith in me
And my time is running out
Then I'll take my bow
As I surrender to the melody
It's time to say goodnight
No strength left to fight
We would live as if time stood still when we were young
So patiently waiting oh dreaming of who we'd be from
the movies

In the end
I don't think you know
You're my friend
Can't do this alone
In my head
It was all a bad dream
When I wake up
I'll say now oh don't let me go

And in the end it's so vile
That none of my steps have been worthwhile
Oh will you forget in a while

'Round 'round spinning on round
World spins on tonight

Time time ticking on by
The world spins on tonight

Time to say goodnight
No strength left to fight
