Slowly  
I take the fall  
The city lights don't comfort me at all  
Show me  
Can you recall  
What got me climbing up the walls  
I'm out of patience  
I'm still waiting on  
A brand new break of dawn

O o oh  
Now we're going underground  
And my hands are shakin'  
O o oh  
I can't believe we're going down  
I can hear the sirens sound  
From way too far  
And I'm dying in your arms  
In your arms

If only  
My thoughts were real  
I could go back but time is standing still  
In this scene  
The frames show  
I'm losing track and wait 'till there's no  
Heartbeat left  
To take me back to you  
To take me back to you

O o oh  
Now we're going underground

And my hands are shakin'  
O o oh  
I can't believe we're going down  
I can hear the sirens sound  
From way too far  
And I'm dying in your arms  
In your arms

If only I could ever

Change what's been done  
Make it last forever  
Oh it keeps me warm  
I know that I could never  
Stay in your arms

O o oh  
Now we're going underground  
And my hands are shakin'  
O o oh  
I can't believe we're going down  
I can hear the sirens sound  
O o oh  
Now we're going underground  
And my hands are shakin'  
O o oh  
I can't believe we're going down  
I can hear the sirens sound  
From way too far  
And I'm dying in your arms  
In your arms
