Take any memory with you  
All that you know  
It's time we gave our sins away  
I hear the train is coming to lead you in  
To take your past regrets away

I can't turn the dark to light  
And you can't see we're losing this fight  
Well I won't bring the dead to life  
It's time for me I asked you politely  
Stay with me  
Don't stray from me  
Oh won't you stay with me  
Don't stray from me

Take any melody with you  
All that you know  
This time we'll give ourselves away  
One eye on the horizon, we're closing in  
You know there's nowhere left to go

I can't turn the dark to light  
And you can't see we're losing this fight  
Well I won't bring the dead to life  
It's time for me I asked you politely

Stay with me  
Don't stray from me  
Oh won't you stay with me  
Don't stray from me

Yeah, yeah, yeah, yeah  
Oh if I could reach you for a second  
Yeah, yeah  
Get the torment over  
Yeah, yeah, yeah, yeah  
But there's something in you that won't go away

I can't turn the dark to light  
And you can't see we're losing this fight  
Well I won't bring the dead to life.. (Oh)

I can't turn the dark to light  
And you can't see we're losing this fight  
Well I won't bring the dead to life (Oh)  
It's time for me I asked you politely  
Stay with me (I can't turn the dark to light)  
Don't stray from me (And you can't see we're losing  
this fight)  
Oh won't you stay with me (Well I won't bring the dead  
to life)  
Don't stray from me (It's time for me I asked you  
politely)  
Stay with me (yeah, yeah, yeaah)  
Stay with me (yeah, yeah, yeaah)
