You... infamous
I found the blood of creation.
You... infamous
I found sacred words of ancients...

Can we stop this mind-created brave new world?
Using a Machiavellian strategy...
When humanity fades to become what humanity was...

Malicious nature of mankind...
Deconstruction of times.
Prophetic method of weakness...
Re-expansion of lies...
Re-expansion of lies
Re-expansion of hate
Re-expansion of death

Endoctrinated, Manipulated
Until their death.
A collective illness of souls
Takes all controls.
A fanatic generation of no return...
