Come inside your no future...
Disorder prepares to rise
Evolution means no issue
In this unknowing grey sky.
Generation of existence
Burden of past is cancelled
Generation of ignorance
Creates new soil of tomorrow...

New world of illusion
Made from nothing.
New world of damnation
Created to be destroyed...

Biotechnology meant nucleonic Armageddon...
Neo-archaic civilization...

Fruit of the no mercy divine storm...
Creating post-solution to build again...
Creating post-disclaim to live again...
